**Meet the Future Awards and DC Apprenticeship Graduation Ceremony**

outdoor event at DCPS Jefferson Middle School Academy

801 7th Street, Southwest | Washington, DC 20024

also live streaming on YouTube channel [ACADNewsDC](https://www.youtube.com/channel/UCADNewsDC)

Industry trainees in the DC Apprenticeship Academy and winners of our Meet the Future scholarships and awards for high school technical education students will be celebrated on May 18, during a live stream from the grounds of DCPS Jefferson Middle School Academy. This location on Maine Avenue Southwest across from District Wharf is the site of the Outdoor Classroom Pavilion building project in our innovative internship program for high school youth.

ACAD BUILDS and the DC Apprenticeship Academy deliver technical instruction and training programs that connect local youth and young adults to work-based learning, paid internships, and employment.
